Sorry to take so long getting back to you. We can definitely take more than 2 people in one ride. My only concern with giving a discount is that we really stick to the \$10 minimum, so if I was to let the military people ride at \$10 and call it a discount we would have to raise the price for everybody else

John,

As we discussed on the phone, we will pay you \$500 to provide four pedicabs at our LA Fleet Week Welcome party. We understand you have a \$10 charge to the consumer. Will you give a special rate to military in uniform? We need to know that too.

Do you allow two people for the \$10 or how does that work? I need you to clarify the details so we can make the proper signage.

Good Afternoon Lorena,

I hope your week is going well.

Councilman Buscaino asked me to reach out to you regarding having Awesome Pedicab participate in the welcoming festivities for Fleet Week. This company was present at CicLAvia (mostly in Wilmington), and was a huge hit with attendees. At your earliest convenience could you please reach out to them at 310.697.9494?

Please let me know if you have any questions or concerns.

Sincerely,
